

Save 10 % on your BT line rentals!

Octagon Communications are able to offer clients **10% discount** on their BT line rentals

This is a simple process using a BT wholesale arrangement. Your lines are still maintained by BT but cost you less

In addition, we are also able to help clients reduce the cost of telephone calls but unlike most other companies, you receive **ONE invoice**.

Octagon Communications are able offer clients independent and impartial advice on telecommunications and broadband.

FREQUENTLY ASKED QUESTIONS

Do I keep my telephone numbers?

Yes, the only change is a 10% discount on your BT line rental.

What happens if there is a service issue?

The line is still maintained by BT so you have the same high levels of service. For any issue, you contact us and we resolve any issues.

Do I have separate invoices for my line rental and call charges?

No, we provide ONE invoice for your line rentals and call charges. We invoice by e-mail and provide web interrogation of your telephone bill.

How can you offer this service?

Our partners have a wholesale arrangement with BT which, enables us to pass the benefits of buying power to our customers.

I have used LCR before what is different?

Most companies who offer you savings on call charges send you a separate invoice for their charges and you still get One from BT. With Octagon Communications, you get one invoice.

Why should I use Octagon Communications?

- We are an independent supplier with vast experience in the telecommunications sector. Whilst cost is important, we provide SME's with support, service and advice that helps them with their business needs.

Do you need a broadband connection?

Are you in an area where you can not get a broadband connection?

Would you like a grant to help with the cost of your broadband connection?

If the answer to these questions is yes, than we have a solution for you NOW!
